

Ad-hoc cooperation;
Commons Center for
shared possessions

Neighborhood
(500–2,500 inhabitants)

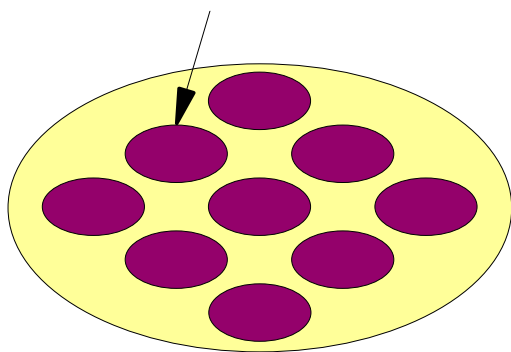

Communal Meta-Project
coordinates most of the
infrastructure and
public services the
inhabitants wish to have

100–300 *Neighborhoods* form a
Local Community
(100,000–500,000 inhabitants)

Regional Meta-Project
coordinates infrastructure
and public services that
cannot be organized
efficiently at the
communal level

30–50 *Local Communities* form a
Region
(3–15 million inhabitants)

Coordination of large-scale
tasks that *Regions* decide
to handle together

Up to 50 *Regions* form a
Superregion
(up to 500 million inhabitants)
